

19th Annual Walk for Memory
A Local Walk. A Local Impact.

Dear Friend,

June 3, 2026

For more than 30 years, I have had the privilege of caring for older adults and their families throughout the Coastal Bend. During that time, I have witnessed both the challenges of Alzheimer's disease and related dementias and the extraordinary strength of the caregivers and loved ones who walk this journey every day. These experiences inspired me to found Face to Face in 2007, grounded in the belief that families deserve more than a diagnosis—they deserve education, compassionate support, and hope.

Today, Face to Face is an independent local 501(c)(3) nonprofit organization dedicated to providing dementia education, caregiver support, bilingual outreach, and community resources. Through valued partnerships with organizations such as Del Mar College and the WellMed Charitable Foundation, we deliver year-round programs and outreach that reach hundreds of individuals across the Coastal Bend and beyond each year.

Every sponsorship directly supports these efforts, helping us expand education, strengthen caregiver support, and provide vital resources within our community. Your partnership is an investment in hope, compassion, and a stronger future for those impacted by dementia.

I invite you to stand with us in supporting our mission and the 19th Annual Walk for Memory. Together, we can create meaningful and lasting impact—because every step taken is for someone we love, someone we care for, or someone we remember.

With gratitude,

Nestor H. Praderio, MD
